

Chartered Society of Forensic Sciences – Elsevier Journal Package

Members of the Chartered Society for Forensic Sciences can subscribe to a bespoke Elsevier journal package which provides online access to Forensic Science International, Forensic Science International: Genetics, Journal of Forensic and Legal Medicine, and Legal Medicine from 1995-onwards, for £62 per year. Access is available exclusively to CSFS members and start from anytime for a rolling one-year period.

For further information on terms of access or for details on how to subscribe please contact membership@csofs.org.
